

INTERNATIONAL WISA MEMBRANE TECHNOLOGY CONFERENCE 2009

Dear Prospective Sponsor

The International WISA Membrane Technology Conference 2009, at Spier in Stellenbosch from 13 to 15 May 2009, will bring together an estimated 250 local and international membrane industry professionals to discuss the latest developments in membrane research and applications.

The format of the Spier event will give delegates the opportunity to take in the technical sessions from Wednesday to Friday while enjoying the friendly atmosphere of the meet and greet reception on Tuesday, the nomadic African village atmosphere of the Moyo restaurant on Wednesday and the gala dinner on Thursday evening. There is also a half day technical tour planned for Friday that will focus on membrane applications that are appropriate to the needs of both developing and industrialized countries.

The WISA Membrane Technology Division invites you to actively participate in this event by registering for the conference, being part of the exiting technical programme that has been developed and sponsoring the conference. WISA is a not for profit organisation and we strive to keep conference registration fees as low as possible to encourage participation. Your valued sponsorship will assist us in keeping the conference registration fees low while providing a high quality conference experience.

Our venue, Spier Hotel, offers outstanding facilities for us and our valued sponsors to present their organisations. Sponsors will benefit from unrivalled networking opportunities as well as a chance to exchange ideas and solutions.

On the following pages you will find a list of sponsorship categories and descriptions for you to compose a sponsorship contract that suits you best. Please note: Sponsorship levels and features are available on a first come, first serve basis. Please return this document, signed as soon as possible to secure your sponsorship opportunity.

We look forward to joining forces with you!
Yours Sincerely,

Carolyn Ackermann
